President's Message

We are thankful for the upcoming ski season! Resorts across the country from West to Northeast are planning for an early November opening, including our destinations of Killington, Snowmass, and Whitefish! Just have to wait for Elk and Montage but they are prepped and ready to get the guns in action. Trip leaders continue to plan a great experience for you! Monthly payments are now due.

On the Snow's resident Meteorologist, Chris Tomer, has predicted a Pseudo El Nino for the 18/19 Season. What does that mean? Although some call for somewhat milder conditions, an average snowfall is his outlook. If you don't put much faith in meteorologists, well, just look at the [Woolly Bear Caterpillar](#) and you will see the truth. And, the yellow ones are just playin' ya!

Ken has set up a great program speaker for November meeting to review the latest in ski equipment, so don't miss this opportunity to see how you'll want to update yours.

See you soon!

Jane
