President's Message

Hope you all have been enjoying the varying weather and the beautiful colors of the fall leaves this autumn. It has been a nice reminder to take a moment and admire the beauty of our surroundings during such a trying time in the world today. I greatly appreciate everyone's flexibility in our changing meeting days, locations and the weather as well as our trip leaders' creativity in keeping us able to safely gather together. Thank you to Tim Birch and Terri Faulk for leading our October events. For our November meeting, we are going to return to Heisey's on November 10 for a little bit of normalcy. **Additional details are available on page 2 below.** We look forward to seeing you there but also understand if you are unable to attend. Cannot believe we are only a few short months away from our favorite season of the year - snow skiing/boarding season! While things may look different in route and at the slopes as long as we can ski down the mountains that is all that matters! Continued thanks to our trip leaders (Jane, Terri, and Karen) for leading us through this challenging travel year. Hope this newsletter finds everyone well and healthy. If you have any recommendations for club events or any feedback, please reach out.

Thank you,

Heidi

Trip Leader

[Karen Wampler \(terlab05@aol.com\)](mailto:terlab05@aol.com)

February 27th to March 6th, 2021 ~ Great news! We have 24 folks traveling with us thus far. We have room for more. If you are wanting to ski west this year, you SHOULD come with us, because otherwise, who knows if you can even get lodging or a lift ticket! We've got both.

Winter Park encourages us to "Venture Out." Everything is changing so quickly regarding Covid restrictions and guidelines, and it's hard to say if things will get stricter or loosen up. Certainly too early to say what exactly will be in effect by the time of the trip. However, even if some things like mountaintop dining or bar service may be somewhat limited, hopefully lots of powder on the mountain and no lift lines! With more than 3,000 acres to spread out on, we will have plenty of room to venture out to enjoy the fresh mountain air.

You can sign up for snow reports and up-to-date information: [Click here to sign up.](#)

The skiing will be awesome over 3000 acres, and, here are some other fun activities: [Check out this list of 100 things to do!](#) Here's a peek of typical activities to enjoy.

- Adventure by moonlight on the [night snowshoe tour](#).
- Snowmobile along the Continental Divide with [Grand Adventures](#).
- Ride the Panoramic Express Lift up to 12,060 feet.
- Test out uphill gear and try your hand (or legs) at skinning with our [Intro to Uphill Tour](#).
- Sip a hot cup of coffee and stock up on sweets at [Stoked Meeting House](#).
- Try [Ice Bumper Cars](#)! That's right, a very exciting new offering in the heart of the Village.
- Eat a sweet, chocolatey sugar waffle from the waffle cabin atop the mountain.
- Hit the slopes on a ski bike! Check out our [Sno-Go Tours](#).
- Lace up your snow boots for a riverside stroll on the [Fraser River Trail](#).
- Check out Winter Park's newest brewery in the heart of downtown, [Big Trout Brewing](#).
- Browse the shops at [Cooper Creek Square](#). You'll find everything from one-of-a-kind jewelry to delicious eats.

PAYMENT PLAN Next payment is due at the November meeting. I have sent you your balance via email. [The on line registration page](#) may not show your true balance.
