### President's Message

### Happy New Year!

The turning of a new page, new chapter and new beginnings! 2021 continued to have its challenges but also so much to be thankful for. Now time to see what 2022 has in store - hopefully lots of great skiing and good health to start the year at a minimum! This month we have two great trips planned - the dandy little weekender and the Okemo bus trip. Next is the early February trip to Park City then closing out the month in Colorado. While life doesn't always go according to plan, at least we still have options and sometimes the alternatives work out better than the original! When you get a chance, please take a moment to thank your trip leaders and the rest of the board as the behind the scenes work they do is incredible to make everything work for this club.

Here's to an awesome 2022 ski season with tons of powder and safe travels!

- Heidi.

## Congrats LVRT!

Back in September, Jane Miller approached the Board about nominating the Lebanon Valley Rail Trail for the 2021 Non Profit of the Year Award from the Lebanon Valley Chamber of Commerce. Jane submitted a wonderful application highlighting all of the work the LVRT has done for the community and just last month it was announced that the LVRT won the award! Congrats to the Lebanon Valley Rail Trail for winning the award and thank you for all that you do to provide the awesome recreational trails throughout the county. Also, thank you Jane for nominating the LVRT! ..
