President's Message

Happy October Members! We have finally seen the end to the August 90's and September cool down and Winter is almost here.

I hope everyone had a great summer and you are now pulling your equipment out of the closet and making a decision to upgrade or stay with existing equipment.

Mountainside has a ski swap the weekend of October 8 & 9. Ski Roundtop has a swap usually the first weekend in November. Great place to sell your used equipment.

Our regular meetings will return to Heisey's Restaurant October 11 with the meeting starting @ 7:30. Come early and have dinner and then enjoy our featured guest who will speak about his trip through New England last season skiing at small out of the way resorts. The November meeting will have a featured speaker and then our holiday dinner in December.

Our two western trips and our New Englander still have space. Information is on the Club website. As always, we will be looking at Elk Mountain in early January with possibly two days at Elk and local lodging!

Please bring a guest to our meetings and let's make this a truly memorable season!

Jack
