COMMITTEE REPORTS

TRIP OVERSIGHT – A. Shutter presented her proposals from Encompasse Tours for two Western trips: February 8-15, 2025 to **Banff, AB, Canada**. It is based on 20 people but 10 is needed for a group rate and March 8-15, 2025 to **Snowmass Village, CO**. Snowmass is based on 28 people...first come, first served. The package cost for these two trips have yet to be finalized. Both are on the Ikon pass. There is a savings if this pass is bought through Encompasse Tour agency. Some thoughts on these two trips are March 8-15 would be spring break for colleges, a number of our club members typically take the month of March as personal vacation time and a previous discussion concerning offering only one Western trip for 2025. For the Eastern trip, a week trip to **Sunday River** was discussed. Dates discussed were the week before and after MLK day in January and the week before and after President's day in February. A trip scheduled the last week of January or February would result in leaving seven days in between the Western/Eastern trips. It was decided to get quotes for lodging at The Grand Summit and lift tickets for this **self-drive trip** leaving on a Sunday and returning on a Friday. Privately renting a bus/van was denied due to liability and insurance costs and a motorcoach is very expensive. D. Bachman volunteered to be the Trip Leader for Sunday River but need trip leaders for the Western trips. After a lengthy discussion about the three trips, it was approved, by a unanimous vote, to move forward with the above-mentioned trips.

MEMBERSHIP – D. Binkley reported membership at 127 vs 121 last year at this time.

Due to the overwhelming discussion concerning the three trips, no other business on the agenda was attended to. All matters will be tabled until the next board meeting.

On motion of P. Horst, 2nd by D. Bachman, the meeting was adjourned at 7:15pm
