**PAST EVENTS**

ELK – This ski trip was a success both in attendance and financial. The lunch time smorgasbord was the envy of “The Warming Hut” where it was held. Thank you Ron Birch.

Lake Placid – This bus trip was attended by 40 people with quite a few non-skiers. The conditions were a little blustery and cold but the snow was plentiful.....10” falling the last day. The Olympic town provided many activities for the non-skiers. One of our members, Dave

Williams, received a serious injury skiing; sending him to the local hospital. A speedy recovery is expected.

Banff - a report came in, from the travelers, that the temperatures are rather low...negative in fact. Return trip is February 15.

Snowmass – trip leader, Chris Riegel, reported a single male needed to cancel for this trip leaving March 8. A blast will be sent out notifying of this opening. The canceling party is willing to pay any change fees that are necessary for a replacement.

**GUEST SPEAKER**

Max from The Outfitters Ski Shop, Lancaster was unable to appear tonight due to the impending weather.

**ANNOUNCEMENTS**
