Food drive – Dianne Bachman mentioned the final count of donations was 221 items weighing 330 pounds. The winner of the \$80 Visa gift card was Tom Jannett. Will repeat drive again in 2025.

Upcoming election – President Riegel informed the group that board openings might become available if anyone is interested in filling them. Please see past President Jack Billmyer if interested.

GUEST SPEAKER

Eric Mason, from Leading Edge Cycling, was present to speak about the industry and his young, small business in Quentin. Eric concentrates on sales, service and bike fittings for the average rider. He sells new and used bikes which includes e-bikes. No fat tire bikes....that fad is fading. For service, bring your bike in and he'll evaluate it for repairs. A quote will be given and a work order created if so desired. A basic maintenance class will be held Saturdays in February. Rentals are available, also, which is convenient for visitors wanting to use the rail trail. His hours are Tuesday-Friday 10-6; Saturday 9-3. His website is leadingedgecyclery.com where you can find new arrivals, shop online, purchase gift cards, learn about the brands he carries, see his service fees, read about his experience in Body Geometry fit and understand his desire to start his own business after 20 years working with bikes. A partnership with him and our club was initiated. Good Luck Eric.....

The meeting adjourned at 8:11 pm on motion of Gordon Shutter, 2nd by Don Bemederfer.
