President's Message

As we close out this year's ski season, I want to highlight our recent trip to Snowmass, CO. Our buses and flights were all on time and on schedule. Crestwood, our condos for the week, took great care of us during our stay in Snowmass, from a wonderful welcome reception to shuttles to and from the grocery store and assistance with our luggage at the beginning and end of our journey. Snowmass Mountain had many blue runs that were awesome, and the fresh powder on our last day was the icing on our trip. Eight of us skied in Aspen for a day; we had a great time exploring different terrain. On our day off, a few people took a snowshoe nature tour, while others explored downtown Aspen. I was privileged to lead this trip and was humbled by the appreciation I received from everyone on the trip. As with any trip, we encountered a few glitches, but the support everyone provided to one another was great to see.

April is the beginning of our new year for our club. This means that dues for 2025-2026 are now due. I want to extend my special thanks to Anne and Gordie Shutter for their many years of service to the Lebanon Ski and Sport Club, as they take a break from the board. I also want to thank Paul Horst for serving on the board this past year.

As we plan for the year 2025-2026, please check your email for details on upcoming events. We should have the Western trip details soon. Our guest speaker for the April meeting will be David Whitenack, from Hershey Cycles.

PROPOSED BIKE TRIP TO MARYLAND

In follow up of the Gettysburg battlefield tour last year Dean Achenbach, President of the Lebanon Bicycle Coalition and Lebanon Ski Club member, is planning a bicycle tour of the Antietam battlefield in Sharpsburg, Maryland. It would be scheduled in late September or October. The tour would be on a Saturday for those who want to drive down for just the day (about a 2 hour drive from Lebanon County).

If people wanted an overnight weekend trip we could stay in Harper's Ferry, West Virginia and tour that by bicycle and perhaps also do a ride on the Chesapeake and Ohio Canal towpath.
